TODAY'S BEAUTY TALK

You can make a delightful shampoo with very little effort and for a very trifling cost, if you get from your druggist a package of canthox and dissolve a teaspoonful in a cup of hot water. Your shampoo is now ready. Just pour a little at a time on the scalp and rub briskly. This creates an abundance of thick, white lather that thoroughly dissolves and removes the dandruff, excess oil and dirt. After rinsing, the hair dries quickly, with a fluffiness that makes it seem heavier than it is, and takes on a rich luster and a softness that makes arranging it a pleasure.—Advertisement.

RECIPE TO DARKEN YOUR GRAY HAIR

Not a Trace of Gray Shows After Applying to Hair and Scalp. No Dye—Harmless.

Apply like a shampoo to your hair and scalp Q-Ban Hair Color Restorer. Do this every day for a week then three times a week. In a short time all your gray, faded, prematurely gray or gray streaked hair turns an even beautiful dark shade with not even a trace of gray showing. Q-Ban makes scalp and hair healthy, leaving all your hair fluffy, soft, thick, clean, free from dandruff, and beautifully dark and lustrous. Q-Ban is not a dye. It is harmless. Ask for Q-Ban Hair Color Restorer. It is ready to use, needs no mixing. Only 50c for a big bottle. Brunt-Martin Drug Co., 729 Kansas Ave., Topeka Kan. Out-of-town folks supplied by mail.—Advertisement.

The Treatment of Influenza or La Grippe

It is quite refreshing these days to read of a clearly defined treatment for influenza or La Grippe. In an article in the "Lancet" Clinic," Dr. James Neil, of New York City, says he is convinced that too much medication is both unnecessary and injurious.

When called to a case of La Grippe, the patient is usually seen when the fever is present, as the chill which occasionally ushers in the disease, has practically passed away. Dr. Neil then orders that the bowels be opened freely with salts. "Antidotes" or cures of malaria, for the fever, severe headache, pain and general soreness, one anti-kamita tablet every three hours quickly followed by a complete rest. Ask for A-K Tablets. They are also unexcelled for headache, neuralgia and all pains.
